

Menu

All skin treatments use only the highest quality natural, “cutting edge” grade ingredients. Our products contain no fragrances, parabens, preservatives, or Fd& C Red’s. Our treatments are focused on achieving optimal skin wellness and correcting undesirable skin care concerns. A skin care analysis and home care prescription is included. All facials include cleansing, toning, exfoliation, facial massage, pore extraction & mask. A scalp, décolleté, arm, & hand massage with warm mitts are also included.

Facial treatments are recommended every 4-6 weeks for optimal results.

It is suggested that a series of 6 facials are pre-paid, and you will receive a free facial.
